## AWARD

The above Applicant has filed this application against the above Opponent, claiming from him a total sum of Rs. 884/- as his earned wages, notice pay and retrenchment compensation, as detailed in the Annexure to the application.

2. It is his case that he was working for the Opponent from 2-7-78 as a Cutter, drawing Rs. 6/- per day. The management terminated his services w.e.f. 5-1-81 without giving him any notice nor paying him in lieu of such notice.

3. The Opponent was duly served with notice, but failed to remain present. He also did not try to file any written statement. Order was passed to proceed ex-parte against him. However, Advocate Chodankar appeared late on behalf of the Opponent and noted the next date given for the

hearing of the case. In the meantime, the Opponent moved an application, supported by two Affidavits, to get the ex-parte order set aside and to allow him to file his written statement. Say on this application was sought, but the Applicant, in the meantime, left for Gulf, being represented by his mother. The Opponent and the Applicant's mother settled amicably the subject matter of the dispute and filed a joint memo of settlement. The settlement terms are as follows:—

1) The Applicant states that he has received from the Opponent a sum of Rs. 494/- (Rupees four hundred and ninety four only) in full and final settlement of his claim against the Opponent in the above case.

2) The Applicant states that he shall have no claim in future of whatsoever nature against the Opponent arising out of said service with the Opponent.

3) The Applicant and the Opponent therefore humbly pray that the proceedings be closed and that orders be passed accordingly.

4) I have duly considered the terms of settlement reproduced above, which are reasonable and fair to both the parties. Hence, I accept them and make the following order:

## AWARD

This is an application under Section 33 C(2) of the Industrial Disputes Act, 1947, filed by the above Applicant against the above Opponent, claiming from the latter a sum of Rs. 1350/- of her salary of the months of July to September 1978.

2. Her case is that she was working for the Opponent and her salary was Rs. 450/- per month. She has not been paid of her salary from July to September 1978 amounting to Rs. 1350/- which she has now claimed by her application.

3. As the notice sent to the Opponent was returned unserved, the Applicant gave the names of all the Directors of the Opponent's firm. These Directors were served with notices, but none of them, except Shri Paulino D'Souza, contested this application. One Vassudev Gopal Bhobe, who was shown as one of the Directors, by the Applicant was, at his request and heard the Applicant, dropped from the proceedings by my Learned Predecessor, Dr. Coelho, by his Order dated 14-4-1980.

4. In his written statement Shri Paulino D'Souza, in his capacity as Executive Director of Accounts of the Opponent's firm, has denied the Applicant's claim and also stated that she is not entitled to move this application under the Industrial Disputes Act, 1947. On merits, it is his case that the Applicant was appointed as Typist-cum-Clerk on 31-1-75, on a consolidated salary of Rs. 250/- per month. Subsequently, on confirmation, her pay was raised to Rs. 300/- On 9-8-77, the Applicant was transferred from the Head Office to the Branch Office at Panaji and, on 16-8-77, she was relieved from the Head Office. In February, 1978, Shri Henry D'Souza, Branch Manager of the Panjim Branch, was transferred to Hubli branch and, since there was shortage of experienced staff members of the Company who could be promoted as Branch Manager, the Applicant, being the senior most staff member in the Panjim Branch, was handed over the charge of the Branch Manager until alternate arrangement could be made. No special remuneration was agreed to be paid to the Applicant and she was supposed to do the work with the same salary. In her capacity as Branch Manager, the Applicant went on drawing from the cash box Rs. 450/- as her salary for the post without sanction of the concerned authorities. On 20-4-78, the Applicant was transferred to the Head Office to her old post of Typist-cum-Clerk but until July 1978 she did not join the Head Office on different pretexts, and remained absent without justification from 1-8-78 till the date of the filing of the written statement. To justify her absence she sent only a letter to the Executive Director of Accounts on 31-7-78 requesting him to make arrangements to look after the work of Panjim Branch as she was mourning for her Uncle who had expired in Bombay. There was no application for leave. Suddenly, on 23-10-78, an official letter was received by the Company that the Applicant was not paid of her salary of the months of July, August and September 1978. In the Asst. Labour Commissioner's office, the Asst. Labour Commissioner proposed a settlement on payment of Rs. 900/- to the Applicant, but the Opponent agreed to pay only two months salary. The medical certificate produced by the Applicant to show her entitlement for maternity leave is false. The total dues of the Applicant towards the Company till the end of June 1978 amount to Rs. 1065/-. Deducting her salary of Rs. 300/- for the month of July 1978, she is liable to pay to the Company Rs. 765/-.

5. The following issues were framed by my predecessor Dr. Coelho:—

i) Does the Applicant prove that she is entitled to receive salary from July to September, 1978 from the Opponent amounting to Rs. 1350/-?

ii) Does the Opponent prove that the Applicant is not entitled for the salary claimed and even if she was, she had to pay to the Opponent Rs. 765/- illegally drawn by her using and abusing her authority as in charge of Panaji Branch Office of the Opponent?

iii) Does the Opponent prove that the Applicant is not entitled to Maternity leave and the Medical Certificate produced is false?

6. None of the Opponents remained present at the time of hearing. The Applicant alone gave her statement in the open Court. In her statement before this Court, which stood un rebutted for want of cross-examination, the Applicant has proved Issue No. 1 which she had the burden to prove. The Opponent has not proved the matter of Issue No. 2 and 3 which he was bound to do.

7. Hence, I pass the following Order:—

#### ORDER

The Opponent is directed to pay to the Applicant the amount of Rs. 1350/- (Rupees one thousand three hundred fifty only) of her salary from July to September 1978 at the rate of Rs. 450/- per month plus costs of Rs. 100/-.

— Party-II

Shri N. J. Rebello, General Secretary of the Union, representing the workmen.

Shri Ramesh Dessai, Labour Consultant, representing the employer.

Panaji, Date: 2-12-1981.

#### AWARD

This is a reference made by the Government of Goa, Daman and Diu by its Order No. LC/1/ID/(28)/73/1498 dt. 22-12-1973. The Schedule annexed to the reference reads as follows:—

"Whether the action of the management of M/s. Hotel Mandovi, Panaji (Goa) in dismissing their workmen, S/Shri Albert Afonso, Santan Pinto, Epifanio Fernandes, Martinho Fernandes, Joao Vaz and Gabriel Fernandes, with effect from 31-7-1973 and discharging from services Shri Nicolau Costa, workman, with effect from 31-7-1973, is justified. If not, to what relief the said workmen are entitled?"

2. In the statement of claims, the Goa Hotels & Restaurants Employees' Union, hereinafter called the Union, Party-I in this reference, after narrating the entire incident which had previously taken place between them and the management of the employer (Party-II in this reference), states that the employer selected same workmen against whom they had a bias and, after concocting stories and making false charges against them, by letter dt. 31-7-73, dismissed them from services and by letter of even date discharged from services Shri Nicolau Costa with immediate effect. The workmen dismissed are those mentioned in the reference order. This order of dismissal and discharge is illegal and unjustified and, therefore, the workmen are entitled to re-instatement, with full back wages and continuity of service. The charge-sheets served on them are false, almost identical, vague and devoid of particulars. The statement of claims goes on analysing the position of each of the workman on the face of charges levelled against him and concludes that the Enquiry Officer's report and findings are vitiated and perverse and the action taken by the employer is mala-fide, illegal and motivated by victimisation. The union addressed letters to the employer saying that the action of dismissing and discharging the workmen taken by the management of the employer was illegal and unjustified and demanded their re-instatement with full back wages and continuity of service. As the employer failed to comply with the demand, an industrial dispute was raised which was finally referred to this Tribunal for adjudication. It is further stated that two disputes between the workmen and the employer were pending before the Conciliation Officer when the employer dismissed and discharged the workmen referred to above without seeking permission of the Conciliation Officer, as he was bound to do under Section 33(1)(b) of the Industrial Disputes Act, 1947, briefly called the Act. In any event, the workmen, having put in several years of service with the employer, with clean record, the punishment given to them is extremely severe, mala-fide and motivated by victimisation.

3. The employer, on its side, in the written statement filed has, in short, stated that, before the workmen were

dismissed or discharged by way of punishment, a thorough enquiry was conducted into the charges levelled against them by an independent person, who is a legal practitioner. In this enquiry, at the request of the workmen, the General Secretary of the union was allowed to represent them and full opportunity was given to the workmen in their defence. After hearing the workmen on the punishment intended to be imposed, action was taken against them which is legal, bonafide and justified by the gravity of the offences and by the past record of the workmen. Then, a detailed story of the incident is given and, finally, the allegations made against the employer in the statement of claims are denied parawise.

4. The following issues were framed by the Tribunal:—

- i) Whether the dismissal of S/Shri Alberto Afonso, Santan Pinto, Epifanio Fernandes, Martinho Fernandes, Joao Vaz and Gabriel Fernandes with effect from 31-7-73 is justified?
- ii) Whether the discharge of Shri Nicolao Costa from service is justified?
- iii) If not, what reliefs?

One more issue was later added, which reads as follows:—

"Has there been non-compliance with the provisions of Section 33(1)(b) and Section 33(2) (b) of the Act?"

5. After evidence was partly recorded, an application was filed on behalf of the workmen, informing that two of the workmen involved in the reference, namely Nicolau Costa and Martinho Fernandes, had expired and prayed that their cases be dropped and legal dues, if any, paid. Heard the employer on this application, he did not object. Order was passed on the application to the effect that No Dispute Award be passed. Finally, the whole dispute was settled between the parties and a joint memo of settlement filed before this Tribunal, praying that a consent Award in terms of the settlement be passed.

6. I have carefully perused the memo of settlement, which shall form part of this Award. Its terms are reasonable and fair to both the parties and hence I accept them and make the following Order:

#### ORDER

Consent Award in terms prayed for is hereby made. In so far the claims of Shri Nicolau Costa and Shri Martinho Fernandes, who are since deceased, their cases are dropped and No Dispute Award is made regarding them. No order as to costs.
